

# **Contract: ManufacturesServices.txt**

## **CONTRACT REVIEW**

Overall Risk Assessment: MEDIUM

## **LEGAL RECOMMENDATIONS**

1. Define 'reasonable detail' for default events with specific examples.
2. Clarify the scope of permitted and prohibited uses of intellectual property.
3. Outline specific remedies and consequences for IP violation beyond termination (e.g., damages, injunctions).

## **COMPLIANCE RECOMMENDATIONS**

1. Clearly define 'confidential information' to encompass personal data and specify its scope.
2. Include provisions acknowledging other lawful grounds for data processing under GDPR beyond explicit consent.
3. Incorporate obligations regarding data subject rights, ensuring compliance with GDPR requirements for handling requests.

## **FINANCE RECOMMENDATIONS**

1. Specify clear payment terms (e.g., due date, payment method), including late payment penalties.
2. Define 'reasonable and documented expenses' with specific criteria and examples to avoid ambiguity.
3. Include a dispute resolution clause outlining the process for addressing disagreements regarding expenses.

## **OPERATIONS RECOMMENDATIONS**

1. Clearly define affiliate responsibilities and performance metrics in a separate agreement.
2. Establish a transparent process for licensing decisions with clear criteria and documentation.
3. Implement conflict of interest policies and disclosure requirements for Joint Venturers involved in licensing.
