## **CONTRACT REVIEW**

Overall Risk Assessment: MEDIUM

## **LEGAL RECOMMENDATIONS**

1. Define 'reasonable detail' for default events with specific examples.
2. Include a clear definition of 'intellectual property' and specify the scope of rights granted to each party.
3. Establish a dispute resolution process for disagreements regarding intellectual property violations.

## **COMPLIANCE RECOMMENDATIONS**

1. Define 'confidential information' explicitly, including a clear scope encompassing personal data and its categories.
2. Include provisions that acknowledge and respect data subject rights under GDPR, ensuring compliance with requests for access, rectification, erasure, etc.
3. Incorporate clauses outlining the receiving party's responsibility to implement and maintain appropriate technical and organizational security measures to protect personal data in accordance with GDPR requirements.

## **FINANCE RECOMMENDATIONS**

1. Specify clear payment terms (e.g., due date, payment method) in the agreement.
2. Define 'reasonable and documented expenses' with specific criteria and examples.
3. Establish a dispute resolution process for disagreements regarding expenses.

## **OPERATIONS RECOMMENDATIONS**

1. Establish clear service level agreements (SLAs) with affiliates outlining performance expectations, liability, and dispute resolution mechanisms.
2. Develop a formal process for evaluating and approving licenses, including objective criteria and a decision-making framework involving all Joint Venturers.
3. Include detailed provisions in the joint venture agreement regarding license acquisition, ownership, and management responsibilities.
